The Page Family's Story

When our daughter Audrey was younger, we began participating in the Kinder Kicks program at the Davis Y. It was a great way to introduce her to being part of a team and learning some basic athletic skills. Now our daughter Beatrice is playing in the program and it has been exciting to see her running around with the other kids. Kinder Kicks has given both our girls the opportunity to play in a low stakes sports environment where the emphasis is on teamwork and fair play rather than who scores the most goals, and my husband Chris has enjoyed coaching as well. Steve and the rest of the Davis Y staff have been such a blessing to our family, and we are looking forward to continuing in Kinder Kicks in the seasons to come.
